

Spiritual Life Development in Cultivate

Ministry comes from the overflow of what God is doing in each of our lives. As we connect with God, abiding and growing in Christ, God uses us to touch the lives of others. Engaging in the spiritual life is an important/critical part of your Church Planting journey. GLI has identified a book series to help you engage your spiritual life in a fresh way as you are working through the Cultivate program. We believe it will be a very important part of your Cultivate experience.

In order to gain the most out of this component of the training identify a person or group of people who you can work through this series with. Your Champion or launch leadership team are good choices to consider as partners in this spiritual journey.
